Meagan,

I am in the process of renewing the San Pedro Historic Waterfront Business Improvement District. As part of that process, we need to submit a database to the City of Los Angeles on all parcels that will be part of the District.

I have already met with Doane Liu to discuss the parcels that will be included in the renewal. I now need a contact in your office who can work with our engineer Ed Henning to verify parcel sizes.

Can you please let me know who in your office would be the correct contact person?

Thank you for your assistance.

Best regards,

Lorena Parker
